

Burlingame Rotary

The Graduation Class of 2009/10

INAUGURAL EVENT

The Burlingame Rotary Membership committee organized its first annual class reunion event last Wednesday, at Kincaid's Burlingame.

Mike Bohnert and his membership committee, Rosalie McCloud and Mary Murphy, welcomed class of 2009/10; Emily Matthews, Dave Mendell, Gabrielle Karampelas, Jordana Piel, Skylar Sager, Phil King and Frances Boscacci. Suzanne Juptner, Glenn Harvey, Mike Matteucci and Sean Williams – we'll catch you next time. Jim Shypertt was there to give moral and photography support to the group – thanks for the pictures, Jim.

The get together was organized as a way for new members of our club to get to know each other better and create fellowship among them. It was also an opportunity for the Burlingame Membership Committee to hear about the experiences of new members to our club in an effort to streamline processes, and improve new member participation. Thank you to all those who engaged enthusiastically in the discussion and the Membership Committee looks forward to sharing what we learned at a Monday meeting in the near future.
